

# Specifications for Trade Show Ink Comparisons by FLAAR

To find original OEM ink, this is readily available at the main manufacturer and main distributor of your brand. All these manufacturers or distributors are listed on a separate scorecard. The present scorecard is only additional ink options.

**Besides the standard aspects in this chart, you should also ask:**

- Are there distributors in near my city?
- Who provides tech support? Dealer or manufacturer?
- What is the delivery time?
- What is the average electrical consumption of this cutter?

Exhibitor	Booth #	Price per liter?	Is the ink sold by cartridge, bag, or other container?	Distributor location?	Colors available?	Is white ink available?	Is the ink eco-friendly?	Is the ink smell strong?	Outdoor durability?	Scratch resistance?	Which kind of printer is it designed for?	Is the ink designed for rigid media or just for flexible?
